

# CHARIZMA - LIFE IN 3D

“WE WERE LOOKING FOR COLLABORATORS THAT COULD TAKE THE SOUND AND SONGWRITING TO THE NEXT LEVEL. I’M GLAD TO SAY WE FOUND THEM, THIS IS DEFINITELY OUR BEST ALBUM EVER.”

## THE BAND

Originating from the land of commercial pop, Charizma doesn't quite sound like other acts out of Sweden. An experienced live band that has toured all over the world including USA, Australia, UK, Europe; Charizma has something unique to offer.

## THE SONGS

Musically Charizma is first and foremost about melody, the band is always in search of the perfect hook. Listen to the Top3 hit "Waiting" and you will be convinced... Lyrically "LIFE IN 3D" is an honest look at life, communicating faith and hope to the listener, much needed in times like these.

## THE SOUND

Charizma and producer Johan Glössner (Produced newcomer Sofia Loell for Curb Records) has found an innovative sound, mixing elements from different

styles into Charizma's pop melodies. Rock guitars, massive keyboards, acoustic guitars and electronica loops are just some of the ingredients in the "LIFE IN 3D" mix.

## THE TEAM

The team behind the "LIFE IN 3D" project includes Charizma's longest running partner, German label Asaph Musik, the Swedish production company Pama Records and well renowned publishing company Warner Chappell.

## THE FACTS:

- "Life in 3D" is the long awaited follow-up to the hit single "Run to God".
- 12 outstanding songs with a heartfelt message.
- Innovative production by producer Johan Glössner.
- An experienced live band with something unique to offer.
